

# Washington State Genealogical Society

recognizes

## Margie Beldin

of Richland, Washington

for exceptional and consistent support of the goals and operation of

**Tri-City Genealogical Society**

Margie Beldin has distinguished herself in untiring support of the Tri-City Genealogical Society (TCGS) as past President, VP/Program Chair and Education Chair of the Society. She shares her enthusiasm for genealogy through consulting with others, teaching classes, organizing conferences and workshops, and making presentation at TCGS meetings. She actively increases her knowledge and capability through attendance at and participation in genealogical conferences outside the TCGS. She is TCGS's National Genealogical Society representative. She loves to teach and is the invited presenter at the Yakima Valley Genealogical Society Spring Seminar. With all this she manages to continue her family research.

Given this **18<sup>th</sup>** day of **April** in the year **2006**, at the annual meeting of Washington State Genealogical Society at Olympia, Washington.
